CITY COUNCIL RESOLUTION NO. 22-40**

**A RESOLUTION OF THE CITY COUNCIL OF THE
CITY OF OJAI ADOPTING THE PROPOSED BUDGET
FOR FISCAL YEAR 2022-2023**

WHEREAS, the City Manager has prepared and presented to the City Council of the City of Ojai the proposed budget for fiscal year 2022-2023 during its meetings on April 12, April 26, May 10, May 24, June 14, and at a public hearing on June 28, 2022. Budget documents have been distributed to the members of City Council and the public to review for each of these sessions, with a Proposed Budget document distributed on June 23, 2022; and

WHEREAS, The Ojai City Manager and Finance Director has studied these budgets at length and finds them to be a sound plan for financing and expenditure control necessary to the City of Ojai's municipal operations and capital improvements; and

WHEREAS, After providing notice and holding a public hearing to solicit and receive public comments on said budgets and all persons were given an opportunity to be heard and their suggestions were considered at the June 28, 2022 regular City Council meeting; and

WHEREAS, the City Council acknowledges its interest in enabling the City Manager to conduct City business in the most efficient and effective manner possible; and

WHEREAS, all necessary changes and modifications shall be made to said budgets, as directed by the City Council during its meetings on April 12, April 26, May 10, May 24, June 14, and June 28, 2022; and

WHEREAS, Government Code Section 66001 requires that a local agency make findings once each fiscal year with respect to unexpended development impact fees held for five years or more; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ojai that:

SECTION 1. The City Council, after due consideration, accepts and adopts the 2022-2023 budgets as amended during its regular meeting of June 28, 2022.

SECTION 2. The City Council is aware of the potential that events beyond the control of the City Council could substantially reduce City revenues and/or increase expenditures. Therefore, the City Manager may temporarily suspend the expenditure of funds in the adopted budget if, in the City Manager's judgment, such deferral is necessary to protect the City's Financial position and the impact of such a temporary suspension on City operations will not be substantially detrimental to City services.

City Council Resolution No. 22-40

SECTION 3. The City Manager is further directed to report back to the Council, as needed, with recommendations for revision of the budget when, and if, budget impacts are known and recommended City program adjustments can be formulated.

SECTION 4. The City Council hereby authorizes the City Manager to sign and execute any professional or consulting service contracts on behalf of the City, provided that the service has been approved as a part of the adopted budget.

SECTION 5. The City budget analysis shows impact fees collected by the City since 1991, some of which the City will hold for more than five years. Pursuant to State law, the Council hereby finds that the monies collected are necessary to carry out the purpose for which the impact fees were levied and the improvements to be so financed as identified by the City's Engineer will benefit the properties where development was approved.
