**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL THAT:**

1. The recitals set forth herein are true and correct.
2. The City Council finds that lodging businesses that will pay more than fifty percent (50%) of the assessment proposed in the Plan have signed and submitted petitions in support of the renewal of the OTID. The City Council accepts the petitions and adopts this Resolution of Intention to renew the OTID and to levy an assessment on certain lodging businesses within the OTID boundaries in accordance with the Property and Business Improvement District Law of 1994.
3. The City Council finds that the Plan satisfies all requirements of Streets and Highways Code §

36622.

4. The City Council declares its intention to renew the OTID and to levy and collect assessments on lodging businesses within the OTID boundaries pursuant to the Property and Business Improvement District Law of 1994.

7. The initial annual assessment rate (November – December 2016) is one percent (1%) of gross short-term room rental revenue. Beginning January 1, 2018, the annual assessment rate shall be one and one-half percent (1.5%) of gross short-term room rental revenue. During the ten (10) year term, the assessment rate may be increased by the Owners' Association Board to a maximum of two percent (2%) of gross short-term room rental revenue as described in Section V. The assessment rate may also be decreased by the Owners' Association Board, but shall not drop below one percent (1%) of gross short-term room rental revenue. Based on the benefit received, assessments will not be collected on: stays of more than thirty (30) consecutive days; and stays pursuant to contracts executed prior to November 1, 2012.
8. The assessments levied for the OTID shall be applied toward sales promotion and marketing programs to market assessed lodging businesses in Ojai as tourist, meeting, and event destinations, as described in the Plan. Funds remaining at the end of any year may be used in subsequent years in which OTID assessments are levied as long as they are used consistent with the requirements of this resolution and the Plan.
